Wine List & Drinks Menu

The British love affair with Indian cuisine is a tale that spans more than 200 years – from the opening of the very first curry house in 1809, to its rise in the 21st Century as Britain’s national dish. Fetcham Tandoori first opened its doors to diners back in January 1983, and has become a local favourite for Sunday lunches, dinner and private functions.

Philosophy

For decades, Indian food in Britain has remained largely unchanged.

Our chef and his team have created a menu that reflects their talent and creativity each influenced by their individual style and regional background to redefine Indian cuisine.
